COUNTY SUPERVISORS

The Board of Supervisors met in regular session last Monday.

Newton Peck, county horticultural commissioner, reported that he had shrubs, also three cars of potatoes, all of which were passed as clean with the exception of 100 plants that were infested with "mealy bug." The latter were disinfected.

Peck was excused from attending the State Horticulturists meeting which is to be held at Merced, on motion of Brown, seconded by Francis.

Miss Anne Bell Bailey, county librarian, appeared before the board and asked that the limit for the salary of an assistant in her office be raised from \$25 a month to \$40 a month. Miss Bailey explained that she had an apprentice at the present time working who is able to take charge of her work while she is in different branch libraries in the county.

On motion of Hickey seconded by Brown, it was ordered that a committee of three be appointed to investigate the matter. Chairman Thompson thereupon appointed Supervisors Hickey, Brown and MacBain to act upon said committee.

On motion of MacBain seconded by Hickey, the claim of Newson & Henning for final payment on the new jail construction amounting to \$10,890.75 was ordered paid.

Supervisor MacBain addressed the board and stated that an amount in the sum of \$487.32 would have to be raised to take care of the jail fund. It was thereupon ordered, on MacBain's motion, seconded by Hickey, that the above amount be transferred from the general fund to the jail fund.

The sum of \$732.07 was ordered transferred from the San Gregorio oiling fund to Pescadero to Santa Cruz county line fund, on motion of MacBain seconded by Hickey.

W. H. Toepeke, the architect on the new county jail, presented a check from Newson & Henning, the contractors, to the amount of \$20 which Toepeke explained was a reduction made in painting the jail.

A communication was received from Bradley & Reilly in reference to repairing the plaster work in the new jail. Architect W. H. Toepeke, who was present, stated the "popping" of lime had occurred in one room of the jail only and that Bradley & Reilly have guaranteed to repair any plaster whenever notified.

State Senator M. B. Johnson addressed the board advising the members of the action of Governor Stephens in signing the bill, which would guarantee the raising, by the state through taxation the sum of \$25,000 to provide for the construction of certain roads in the state among which is the "Skyline" boulevard from San Francisco to Santa Cruz.

Senator Johnson advised the board to confer with H. K. Fletcher of the California State Highway Commission with regard to the county being taken care of in the appropriation. He recommended the appointment of a committee which would include County Surveyor J. V. Neuman to take care of the matter with the highway commission and also with Santa Clara county. This was done, on motion of MacBain seconded by Hickey, the committee appointed by Chairman Thompson consisting of Supervisors MacBain, Brown and Thompson and Surveyor Neuman.

Supervisor MacBain addressed the board and stated that the County Council of Defense had made a request of the board that the saloonmen of the county be asked to close their places of business on Tuesday, June 5, Registration Day from 7 a. m. to 9 p. m. On motion of MacBain seconded by Brown, it was ordered that this request be made, each supervisor agreeing to notify the saloonmen in his respective district.

County Clerk Jos. H. Nash reported that the County Council of Defense suggested that the board allow the clerk to hire additional help at \$2.50, if necessary to copy county registration cards. Permission to engage clerks was granted, on motion of MacBain seconded by Hickey.

The following bids were opened

for painting the exterior metal and wood work of the courthouse:

Mr. Doozee, \$282; L. B. Winiger, \$350. On motion of MacBain seconded by Hickey, it was ordered that the check of L. B. Winiger be returned to him and that Mr. Doozee appear before the board in the matter of his workman's compensation insurance.

At the request of Supervisor MacBain and on his motion seconded by Francis, W. F. Graef, U. S. Inspector in charge of the squirrel eradication in the county, was allowed to use the committee room adjoining the supervisors' chambers.

The following bids were opened for constructing the water supply tunnel on the property at the County Hospital: James O'Neill, \$1975; Frank Bryant, \$2774. On motion of Brown seconded by MacBain, it was ordered that the check of Bryant be returned and that action toward awarding the contract be continued to July 2, 1917, as there is not sufficient funds to pay for the work at the present time.

CONGRESSMAN HAYES IS ON ROAD TO RECOVERY

Friends of Congressman E. A. Hayes declare that he is fast recovering from the illness which brought him back to his home in Edenvale from Washington, and that he will once more be at his seat in the house before the 1st of August.

Rest is all that he needs, say his physicians in San Jose.

Congressman Hayes' friends declare that the rumors recently circulated regarding his resignation had their inception among his political enemies. He has no intention of resigning, and will be a candidate for re-election.

PESCADERO JOTTINGS

It was the writer's supreme pleasure to be present at a unique basket picnic at the children's play ground in Golden Gate Park Sunday, May 27. The gathering was composed entirely of former residents of Pescadero—that quaint but beautiful white village, situated in the little valley at the confluence of the Pescadero and Butano creeks about one mile from the world famous pebble beach. Many of those present had not met each other for a period of eighteen years and the greetings and handshakes were joyous and hearty. Reminiscences were recounted that were pleasing, amusing, pathetic and affecting. Professors, doctors, lawyers, merchants, engineers, ranchers, mechanics, real estate operators, insurance men, government employees, in fact all callings, trades, and professions were represented including a goodly number of children representing various nurseries. J. F. Utter, a former superintendent of schools of San Mateo county, now a prominent attorney of San Francisco, acted as master of ceremonies. Referring to the high cost of living, which is universal throughout the civilized world today, he stated that from the bountiful supply of good things to eat spread upon the green at the lunch hour, H. C. L. had evidently overlooked this occasion for which all present were duly grateful. That the picnic be made an annual affair was the hearty wish of all present and steps were taken to organize the society of Pescadero Exiles. Photographer was on hand and fixed the entire group upon a plate and no doubt every family represented will secure a copy of the picture to preserve as a memento of this truly heart to heart social gathering. Among those present were:

Mrs. Geo. Falkenstein, nee Alice McCormick, daughter and son; Mrs. Fannie Cushing, nee McCormick, and daughter Julie; Mrs. Chas. Bradley, nee Florence McCormick, and daughter; Wm. McCormick and three grand daughters; Mrs. Moore, Mr. and Mrs. Thos. THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Jeremiah Lynch, who died Thursday in San Francisco, represented the county in the state senate in the latter seventies when this district was a part of San Francisco. Lynch was a noted author and lecturer.

Professor John Gill, the manual training teacher at Sequoia Union high school, was the victim of a serious accident at the new manual training building on Thursday. He was playing a picture frame for one of his pupils when his right hand caught in the planer almost severing three fingers.

Court Madrone Hall Association, P. of A., announces its sixth grand ball to be held on Tuesday evening, July 3, in Foresters' Hall. It will be under the direction of the new board of directors. The committee in charge of the affair is composed of the following members: Eric Thompson, chairman, Henry Lamb, William Lattie, Carl Schmidt, Henry Blak and Frank Cano.

R. G. Rowley, formerly district attorney of this county and for a number of years engaged in the newspaper business in Redwood City and now a retired capitalist in New York, has sent six copies of his "Reminiscences" to be distributed to the libraries of the county. Mr. Rowley was a trenchant and able writer. This book was written several years ago and has been read with interest by many local residents who knew Rowley in his palmy days.

Harry Crawford, whose father is connected with the Orpheum circuit at Chicago and whose mother and brother have been residing in this city for the past year, was run over by a Dumbarton freight train Thursday at noon. Both the boy's legs were almost severed from the body. He was rushed to the Redwood City hospital by Dr. Gregory, Dr. Ross and Dr. Dykes. The boy died about two hours after the accident. The little fellow had crawled under the cars believing them to be stationary and was caught underneath the wheels when the train pulled out.

Merton H. Knox, the young son of Mr. and Mrs. M. J. Knox of this city, who recently enlisted in the aviation corps of the U. S. army, is now located at San Antonio, Texas. Of the 1,500 enlisted men in this department, 60 were instructed to take the examination and of this number only 22 were successful, young Knox being among those passing muster. He was the first to receive an assignment and is now at San Antonio awaiting orders to go to the front. Mr. Knox is an expert mechanic having recently graduated from the Lick School of Mechanical Arts at San Francisco. He is also a graduate of the local high school. Merton is a bright and patriotic lad who will do his full duty where ever he is placed by his country.

Richard McCance, a veteran of the civil war and for the past six years a resident of Redwood City, passed away at the home of his daughter, Mrs. J. W. Wallace last Saturday. The deceased was a native of Massachusetts aged 73 years. As a young man he joined the U. S. navy during the civil war and at the close of the conflict he volunteered with others to take a war vessel which had been sold by the government to Japan. He remained in the far East for 44 years, coming to California after his wife died. For sixteen years he was connected with the American consulate in Japan. Mr. McCance was a genial, good natured, jovial man, who made friends and kept them. During his long illness he was tenderly cared for by his devoted daughter, who was constantly at his bedside administering to his every want.

According to complete returns received at the county clerk's office 3738 young men registered last Tuesday in the county. This is ten per cent of the population of the county.

FILED FOR PROBATE
The holographic will of the late Richard McCance was filed yesterday in the superior court with a petition for probate by his daughter, Mrs. Janet M. Wallace. The estate consists of real and personal property and cash and exceeds \$10,000 in value. Jas. T. O'Keefe is the attorney for petitioner.

The board of trustees of the West Union school district at a meeting held on June 4 rejected the site offered by the Jenkins people. This will in all probability place the selection of a site for the new proposed building in the superior court as it is contended by the trustees that a two-thirds vote was necessary and not a majority vote as was taken at a recent meeting of the taxpayers and citizens of the district.

NOTICE OF ANNUAL MEETING
Notice is hereby given that the regular annual meeting of the stockholders of the San Mateo County Building and Loan Association will be held at the office of the association, No. 90 Broadway, Redwood City, California, on the 25th day of June, 1917, at the hour of eight o'clock p. m., for the purpose of electing a board of directors to serve for the ensuing year, and for the transaction of such other business as may come before the meeting.

By order of the board of directors,
P. P. CHAMBERLAIN, President
H. W. SCHABERO, Secretary
Dated, June 6, 1917.

DUCK HUNTING REMINISCENCES

Story Number 10 by Claude Fox Depicting Game Bird Life On Bay and Marshes

By the time the web-feet had started on their northern pilgrimage for the breeding grounds in the spring of 1878, "Bill" and I were back at our desks at school, endeavoring to absorb that which was being taught us, ever mindful of the fact however that the coming duck season would herald in my thirteenth birthday, and the ownership of the gun for the possession of which we both had waited long and patiently.

Father had requested Mr. Brewer to permit me to come home every Saturday and return to school Sunday evening, an arrangement which was very satisfactory to "Bill" and myself, for we were thus enabled to renew our friendship and lay our plans for the coming winter. The time thus went by very rapidly, and before we could realize it, the long summer vacation was at hand, and, as you boys of today will know, vacations speed more swiftly than he days spent bending over your desks at study, and we were soon back again listening to the instructive words of our respective preceptors. How well I remember now that Saturday afternoon late in August of '78 when I stepped off the rain at the old depot in this city, dad to be home, and found "Bill" there waiting to meet me. The first idea that entered my mind was that anything serious had happened and my pal had come to break the news to me. The broad boyish smile which covered his face and lit up those sharp eyes soon dispelled any thought I may have entertained about receiving bad news. "What do you think," he almost yelled at me. No time was given me to collect my thoughts. "The ducks are here, he ducks are here," was all he could say. When I looked at him rather redoubtfully, he answered quickly, before I could utter a word, "sure, no fooling, we all saw big flock fly over town just after sundown last night."

That settled the top and marble question. No more that year could my cry of "grab stakes" or "pegs up" be heard over at the "Old Corner." From then on, every evening I was home from school, "Bill" and I were down in the Sweeney field where the old jall stands, waiting patiently for the sun to go down, in order that we might watch for the large flocks which would head in from the bay and marshes in quest of the fresh water lakes or ponds. It did not take the older boys who owned guns any longer to become wise than us kids. By the first week in September any number of big flocks could be seen between sundown and dusk flying hither and thither in their search for food and fresh water, and ere the middle of that month, the flash and musical sound of the black powder could be heard at the "Little Gravel Bed" and "First Fence." The season of 1878-79 had been ushered in and the night hunters were all prepared when the first migrating flight arrived and the little green winged teal, which usually was the first to reach the marshes, were soon being shipped to San Francisco, or consumed by the residents here.

The 13th of October was fast approaching, but I thought that last month of waiting seemed almost another year. It came, however, at last. Full well I knew no disappointment would await myself and "Bill" on this occasion. When the day came Father requested me to come down to his office and get the gun, loading tools and ammunition. Did I go? you ask me. Dad did not have to do any of the chores that morning. Breakfast with me was over in a jiffy and I was down at the office waiting long before eight o'clock. It seemed Father would never come. In the meantime "Bill" was up at the "old corner" with his eyes glued down Main street for the first glimpse of my returning. I had expected to just grab the gun and scurry up the street as fast as my legs could carry me, but there was another little procedure I had not figured on. When Father reached the office he went directly to a closet and brought forth the gun in a leather case. As he handed it to me he said, "You uncle Chet has already showed you how to put it together. I had the gun in my hand and was more than anxious to make a break for the door, and give "Bill" the high sign which would send him running to meet me. Dad however anticipated my anxiety, for he said, "Now my boy, don't be in a hurry; just sit down in that chair, as I want to have a talk with you." I knew what was coming. It was not the first time in my life, nor the last, that I was requested to listen to one of those heart to heart talks between Father and myself. Perhaps some of you boys have had a similar experience. There is one thing I do know. Whenever I did anything out of the way at any time I would gladly have taken a good walloping than listen to those fatherly lectures, for when they were over I often felt worse and more guilty than if a good sound thrashing had been administered to me. But I had been looking forward to this particular day for a long time, and was very careful in my conduct

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mrs. Arthur Miles, formerly Mrs. Jack Wilson, arrived here during the week from Canada with her children to spend the summer with her mother, Mrs. William Claff.

Mr. and Mrs. J. Leroy Nickel have moved down from the city to occupy their home on the Middlefield road.

William Hammerson is quite ill at his home on Santa Cruz avenue. His continued illness is alarming his family.

The stork left a baby boy at the home of Dr. and Mrs. Guy Manson at Fresno on June 3. The boy has been named Guy Bruce Manson. Mrs. Manson was formerly Miss Jean Bruce of Menlo Park.

R. E. Simpson, the new station agent, has arrived from Chualar, Monterey county, and has leased the J. H. O'Keefe cottage on El Camino Real. Mr. Simpson has an attractive family of two pretty children and a beautiful wife.

The Las Lomitas school closed yesterday with appropriate exercises. Many parents were present to witness the interesting program. Miss Latimer, Miss Bertha Kuck and Miss Ruth Thomson, the assistant teacher, were congratulated upon the progress of the school.

The Menlo Park Fire Department is about to install 40 new hydrants on the main streets of the town and vicinity. The hydrants are the very latest and contain double attachments. These will be placed only on the Bear Gulch mains.

The Forty Hours Devotion with its very impressive outdoor procession through the grounds will open at the Church of the Nativity, Menlo Park on Sunday, June 17 at 10:30 a. m. Rev. Thomas J. McKeon of San Rafael will be celebrant on the occasion and Rev. Victor White, S. J., will preach.

Menlo Park is not behind in subscribing to the Liberty Loan bonds. During the week James L. Flood bought bonds to the amount of \$250,000. Mrs. Paul Fagan purchased \$5,000 worth and Mrs. Henry Meyer, \$45,000. Other wealthy residents here and at Atherton will subscribe and bring the amount up to the million mark.

James G. Mason reports that he registered 213 young men between the ages of 21 and 30, inclusive, on June 5. The foreigners outnumbered the Americans in registration. Many Chinese, Japanese, Italians, Portuguese and others registered and declared their intentions of fighting for Uncle Sam when called.

Miss Camille Dorn, daughter of the late D. S. Dorn and formerly a resident of this place, was united in marriage last Wednesday in San Francisco to James A. Garfield Schiller. The young couple is spending their honeymoon at Del Monte. Mrs. Schiller is an extremely beautiful woman. She is a graduate of Stanford.

Edward Mooney, formerly a prominent contractor in San Francisco, but recently employed as a foreman carpenter at Stanford University and a resident of Menlo Park for some time, has leased the Palm hotel. Mr. Mooney is the father of eleven children, several of whom are old enough to assist in conducting the well known hostelry.

There has been marked activity in Red Cross circles throughout the country and certainly Menlo Park is deserving of great praise in this regard. Although the community is not large, the efforts put forth have been by no means small. In Menlo and its vicinity, various groups of women have been meeting regularly and working hard. The James L. Floods have given the "Cottage" for their estate for the use of the Red Cross. It has been thoroughly equipped and made attractive to work in. The rooms are open every day from ten o'clock until five in the afternoon, with the exception of Saturday and Sunday. Mrs. Joseph A. Donohoe is in charge of this undertaking. Every Wednesday afternoon another band of workers under the leadership of Mrs. J. O'Keefe meets at the public school house in Menlo and devotes its time to the making of articles for the Red Cross. Still another devoted group meets weekly at the home of Mrs. H. E. Montgomery and they are known as Mrs. Montgomery's Guild. On Tuesdays at the Menlo Country Club, Mrs. J. A. Folger and her coterie of friends meet and work for this same great cause. All of these various branches are associated with the Palo Alto chapter and the work that they have turned in has been deserving of commendation. With so many people interested and so many centers where one may work there is no excuse for anyone not doing their share. And from the showing at the present time Menlo Park has not been backward in doing "its bit."

SERVICES AT LA HONDA
During the summer months Father A. Adriano, pastor of the Halfmoon Bay Catholic church, will celebrate mass at 11:30 o'clock a. m. every Sunday in Sear's hall, La Honda. Last season Father Adriano held services at that place and every Sunday the hall was crowded with campers and others temporarily residing in that community.

TRUSTEES IN SESSION

The question of granting a permit to the Redwood City Athletic Club to hold four-round boxing exhibits, which was laid over from last meeting, drew a crowd to the town hall Monday evening and brought forth a spirited discussion. A considerable delegation represented each side and a number of women were present in opposition to granting the permit. Thomas Curran addressed the board in favor of the petition. Judge Seely gave his reasons for signing it. Rev. Stephens of the Congregational church opened the argument against granting the permit and was followed on the same side by Rev. Young of the Methodist church and Rev. Parker of the Baptist church and Professor McCrea, principal of Sequoia Union High School. Trustee Merrill gave his views which were strongly against the petition being granted while Trustee Tuchen favored giving the matter a trial and judging it on its merits. As it came under Trustee Mable's committee he offered a motion that the permit be granted, revokable at any time, which was seconded by Trustee Tuchen and passed, the roll being taken at the request of Trustee Merrill, who alone voted against it.

A street light was ordered installed at the corner of Lincoln avenue and Davis street, it being an important corner as a large amount of traffic over Roosevelt avenue travels on Lincoln avenue to this corner.

The street superintendent was instructed to clear the weeds from the improved streets in Redwood Highlands that have not already been cleared.

An ordinance was passed which provided for the removal of weeds in front of property on the improved streets in the Eastern and Hancock Additions.

Plans and specifications were adopted for improvement of Winslow street from Broadway to the railroad. Hearing of protests will be held at the first meeting of the board in July, July 2. Specifications call for a concrete base and asphaltic top pavement.

Upon motion of Trustee Mable the office of poundmaster was declared vacant and F. E. Pettit appointed to the office.

Chas. J. Lingren of Burlingame was the only bidder on the street work on Redwood avenue and Sequoia street. His bid totaled \$32,866.40, which is about \$3,000 above the engineer's estimate. The matter of awarding a contract was laid over until next meeting.

During the month of May collections were made by City Tax Collector J. P. Coleman as follows:
